ABOUT THE INSTITUTION

St. Stephen's Hospital, Delhi is a charitable mission hospital, established and run by St. Stephen's Hospital Society. It had a humble beginning in 1885 as 20 – bed hospital in Chandni Chowk in memory of Ms. Priscilla Winter, a non medical missionary. By 1908, the hospital grew into a 100 bedded Women & Children's hospital relocated at Tis Hazari. Today, this modern well equipped hospital has a strength of 595 beds in various specialities and super specialities. Education and training of medical, nursing and Allied Health Professionals is an ongoing programme in this institution. In 2012, the St. Stephen's Hospital Health Care Facility was opened in Gurugram, Haryana.

Established in 1908 and founded by Ms. Alice Wilkinson, a pioneer and co-author of the constitution of the INC, we have one of the oldest nursing schools in the country. In 1952, we started the A-grade diploma course and then General Nursing & Midwifery course. In the year 2008, the School of Nursing was upgraded to College of Nursing affiliated to GGSIPU and B.Sc. (Hons.) Nursing was started with 50 seats. M.Sc. Nursing started with 8 seats in 2017 and Post Basic B.Sc. Nursing with 20 seats has been started in 2019.

ABOUT THE THEME

Nurses come across various legal and ethical issues during their practice.
